Implementation of the New Master Requirement for GLU Programs

Marilyn Cochran-Smith, Chair, Advisory Panel for Teacher Education

Looking Forward, Looking Back

the miraculous way

- participatory, collaborative
- inclusive
- agency/empowerment/autonomy-oriented (rather than compliance-oriented)
- context-specific/local
- research-informed *and* practice-informed
- comparative (international)
- critical: identifying structural issues/
resource needs/leverage points for change
