

Agency Update Denmark

NOQA Annual Meeting, Helsinki
2-3 September 2025

Steffen Westergård Andersen, Senior Advisor, DAC

Changes in the Danish Agency

- Public spending cuts to reprioritize to new needs
- Agency cut from from >30 to some 15 FTEs
- Admin and support staff functions discontinued, to be rendered by Agency of Higher Education and Science
- Extension of cycle from 6 years to 8 years

Elements of continuity

- Well known faces in the Secretariat
- Methodology unchanged
- Current cycle continues until 2028
- Same Decision-making by the Council
- Office location in Holbæk
- Next cycle development in pipeline

Organizational Change

Single Accreditation System (Now)

Dual Accreditation System (Before)

Upcoming activities

- ENQA/EQAR Review:
 - Sending in SAR Report in September 2025
 - ENQA panel visit in December 2025
- 3rd cycle development activities in 2026/2027
 - Planning proces and stakeholder involvement
