Sharing progress: Good ideas, initiatives and innovations

Gisle Pettersen - Head of MAGLU - Bodø
Bodø vs Tromsø

Cooperation
Mastertorg
Sharing ideas

How to develop these ideas
Mastertorg (Exhibition, fair)

• Work with (prepare) the students prior to the Mastertorg

• Give the students tasks (what to look for, questions to ask)

• Workshop (post Mastertorg): lecturers, students, schools

• Help students going forward with the thesis (research questions, timeframe for data collection, supervisors etc)
