

Quick-guide to creating a new user in NOKUT's portal for experts, without an electronic ID

If you do not have a Norwegian personal ID number, or a D-number, you have to create a **new user** in our portal for experts. If you do have a Norwegian personal ID number or a D-number, you should use the login from the list of electronic IDs on the front page of the portal.

If you have to create a new user, you should click on "Proceed to alternative log-in methods" at the bottom of the page.

Then choose "Sakkyndigportal"

To create a new user, click on "Register new user"
